

TECHNICAL **CHART 36**

SPATULA WAX

Description of product

SPATULA WAX is highly water-repellent, solvent base, that acts as protection and polisher for all lime-based grassello, Venetian stucco, Marmorini, Cocciopesto and Spatolati.

Application Field

Protection and conservation for very prestigious decorative finishing.

Product characteristics

SPATULA WAX fixes superficially in a very strong way and gives to the surface a high rate of water-repellency and dirt resistance. The applicated layer protects the surface from stains and the maintenance results easier.
